

## **NOTE REGARDING FINANCIAL PRODUCT DESCRIPTIONS**

- **Disclaimer regarding accuracy of data and information related to banking products:**
  1. Alameda County Community Action Network (ACCAN) and Urban Strategies Council do not guarantee the accuracy of the banking account product information. Product information may have changed since its entry into the banking product menu or may have been misunderstood by the data enterer. If you are an institution and believe that the profile for your products is inaccurate, please contact ACCAN and Urban Strategies Council to update the information.
- **Disclaimer about data captured (bank):**
  1. Ranking and scoring of products reflect Alameda County Community Action Network's and Urban Strategies Council's interpretations of products which are based upon Alameda County Community Action Network's goals and mission to serve people with limited incomes. This interpretation in no way reflects any officially-endorsed viewpoint or should be construed as non-biased. Users are responsible for obtaining other information sources.

## **Privacy Statement**

### **Collection of Information by [alamedacountycan.org](http://alamedacountycan.org)**

To improve the usability of this website and to provide reports to members, Alameda County Community Action Network (ACCAN) collects user information. This information includes the following:

1. The login name and time of user (provider)
2. The submitted form answers relating to an anonymous respondent
3. The accounts on interest selected during the session with respondent until data is submitted and form is cleared

ACCAN uses this information to allow users to navigate between web pages without losing their inputs and for ACCAN to conduct statistical analysis of the data collected.

ACCAN does not collect data for commercial or marketing purposes and does not sell, exchange or distribute the data for commercial or marketing purposes. ACCAN does not rent or sell personally identifiable information (i.e., information such as name, address, phone number, e-mail).

## **Cookies**

The use of cookies is a standard practice among Internet websites and most Internet web browsers may be customized to reject cookies, to only accept or reject cookies by user intervention, or to delete cookies.

### **Links from a Third Party**

The ACCAN web site may be linked from or to other websites. The existence of those links does not constitute an endorsement of the destination or departure website(s) or of the content of said destination or departure website(s).

### **Intellectual Property**
